<p>Growing Wildflowers Should you wish to bring wildflowers into your city garden, this booklet provides you with valuable information regarding the choice, cultivation and care of common wild plants for the home gardener</p>	\$7.00		
<p>Plants of Pioneer and Early Days in Ontario This booklet was produced as a result of The Garden Club of Toronto's direct involvement with the planning and planting of authentic plants in the gardens at Black Creek Pioneer Village in 1967. It is the result of 3 years of studying old books, catalogues and diaries for information on early plant material.</p>	\$7.00		
<p>The Growing Years: A History of the Garden Club of Toronto 1946 – 2007 by Helen Skinner This 156 page hardcover book encompasses 60 years of the Garden Club of Toronto's contributions to our city. Replete with photographs and drawings from our archives, the book follows members' activities from the Club's formation in 1946, through its major flower shows at the O'Keefe Centre, the Automotive Building, The Royal Ontario Museum, and Casa Loma to the present day annual Canada Blooms Flower and Garden Festival at the Metro Convention Centre.</p>	\$25.00		
<p>Piet Oudolf's Planting of the Entry Garden Walk at the Toronto Botanical Garden (Published 2007) A book which provides the particulars of all plants originally planted in the garden including their individual light requirements, zoning information, height and width dimensions. Includes a detailed map of the garden as designed by Martin Wade Landscape Architects in collaboration with Piet Oudolf.</p>	\$8.00		

<p>Gardener's 3-Year Journal A perfect gift for the gardeners in your life. With over 150 pages of practical gardening and design advice, this Journal will help you plan your garden over any three-year period. An initiative of the Programme Committee of the Garden Club of Toronto to commemorate the Club's 75th Anniversary, the Journal features the work of Garden Club members in Floral Design, Horticulture and Projects and includes drawings from our very own botanical artists. Proceeds from the sale of The Gardeners Journal will support the development of gardens here in Toronto. Looking back over 75 years, that would include Casa Loma, Spadina House, The Humber Arboretum, St James Park, and most recently, The Allan Gardens Children's Conservatory Teaching Garden, June Callwood Park, and The Meadoway.</p>	\$30.00
